Chief Rival of Marathon Winner Says Hayes Ran a Wonderful Race.

New York, Aug. 5 .- "The Marathon was a grand race, truly run and truly won. Hayes won the race fairly and squarely. and in doing so gave one of the finest two exhibitions of running that I have ever cal witnessed," said Tom Longboat, the Indian Marathon runner of Toronto, one of the renners whom John J. Hayes of the Irish-American Athletic club defeated in the Marathon race at the Olympic games in London last month. Longboat

in the Marathon race at the Olympic games in London last month. Longboat has just returned from England. He was accompanied by F. C. Flanagan, president of the Irish-Canadian Athletic association, of Toronto, and brother of John Flanagan, the champion weight thrower. Longboat dropped out of the Marathon race after running twenty miles. "Hayes ran a truly remarkable race," he said. "He was going smoothly when he passed me, just before I was forced to quit. I don't know what hurt me, unless it was the sunlight and the pounding my feet received over the hard pavements. When Hayes passed me I declared that he would win, but at the time I did not know how far ahead Dorando was. The Italian deserves a lot of credit for the gameness he showed, but Hayes' work in overcoming a handical of nearly two miles in less than sever was a wonderful performance and worthy of the greatest praise. When Hayes was presented with the Marathon trophy by the queen of England, several of the other athletes lifted him up on a wooden pedestal and bore him off the field amid the wildest enthusiasm and vigorous cheering." orous cheering.

Little physical irregularities upset the system, the appetite fails, digestion is poor, the body feels tired and worn out, and other unpleasant symptoms give warning that the system is disordered and needs assistance to ward off, perhaps, some serious sickness or ailment. S. S. S. is recognized everywhere as the best of all tonics, nature's medicine, made entirely of healing, cleansing, invigorating roots and herbs, a systemic remedy without an equal. S. S. S. has the additional value of being the greatest of all blood purifiers. It re-establishes the healthy circulation of the blood, rids the body of that tired, worn-out feeling, improves the appetite and digestion, and brings about a return of health to those whose systems have been weakened or depleted. S. S. S. acts more promptly and pleasantly than any other medicine, and those who are run down in health should commence its use at once. It will thoroughly purify the blood and tone up the system. S. S. S. is admirably suited for a systemic remedy because it is free from minerals; it may be used without harmful results by persons of any age, and no unpleasant effects ever follow.
